Shirley

for the following articles:

**Dyed woven polyester and nylon fabrics. Including plain dyed, water repellent, acrylic coated, silver coated, PU coated, laminated and breathable PU coated. Woven nylon fabrics only dyed and PU coated. Based on pre-certified materials according to Oeko-Tex® Standard 100.**

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**This authorisation is valid until 02.09.2016**
